**Dear Member of the Class of 2020:**

The Mountain Vista High School yearbook staff hopes your senior year will start off well. To help out, we wanted you to have the submission guidelines and a friendly reminder of our **Tuesday, October 1, 2019 deadline** for your senior picture and photo fee.

**The specifications for 2020 senior photograph/portrait/picture are:**

- Size: Standard 2.5" x 3.5" to 3" x 5" (vertical orientation).
- Digital high resolution of at least 300 dpi.
- Must be saved — and uploaded — in JPG, TIFF, or PNG format.
- No student or photographer names or dates imprinted on photo. No text on photo.
- Clothing worn or props used must adhere to school/district dress code and policies.
- Color or black-and-white. Color is preferred as the book is in full color.

**Submitting your photo to the yearbook staff.** Digital images must be submitted online by **Tuesday, October 1, 2019:**

- Go to: [www.images.jostens.com](http://www.images.jostens.com)
- Enter code: 4413263673
- Follow the prompts.

**The senior photo fee.** The fee is required and must be submitted online:

- If you choose to work with one of the highly recommended Preferred Photographers (see attached), the company will probably collect the \$10 Senior Photo Fee and submit the fee and your photo to the yearbook staff by **Tuesday, October 1, 2019**. It is your responsibility to make sure. If the company does not collect the \$10 Senior Photo Fee, you must submit the fee and your photo to the yearbook staff by **Tuesday, October 1, 2019**. Please see the instructions above to submit.
- If you choose to use a photographer not on the Preferred Photographer list, you must submit a photo that meets all the guidelines above, along with \$15 Senior Photo Fee by **Tuesday, October 1, 2019**. Please see the instructions above to submit.
- Please note that a student is not required to submit a senior photo or pay the fee. Any student who chooses not to submit a photo and/or pay the required photo will still be included in the yearbook. The yearbook staff will use the official school-issued student identification photo taken at registration and used in Infinite Campus.

**To pay the senior photo fee:**

- Login into your DCSD My School Bucks account, search for 2020 Senior Photo Fee, and follow the prompts.
- [THIS SERVICE WILL NOT BE AVAILABLE UNTIL AUGUST.](#)

**The senior quote.** This is optional and not required.

- The yearbook staff will explain to you next school year how to submit your optional senior quote. If the editors decide to include in the book a senior quote, which must be school appropriate, the deadline will be **Tuesday, October 1, 2019**.
- We are implementing the "one-strike" system for senior quotes. If you submit something that is copyrighted, we will not use it (unless you reference and give credit to who said the original quote). If you submit something inappropriate, we will not use it. These are individually researched and please understand this is one-strike, we will not be contacting you to do another one and underneath your name will be blank. Make wise choices, and use smart discretion.

We've also included an information/order form for our **Class of 2020 Yearbook Recognition Ads** (separate from senior pictures). If you have questions about "Ads for Grads," go to [www.theyearbookcompany.com](http://www.theyearbookcompany.com). The Yearbook Company is the sole contracted vendor for this optional service. Please note the three deadlines: early-bird, regular and final.

Questions? Please contact us directly or online at VistaNow.org. Go to: <http://www.vistanow.org/aerie-yearbook/>

Enjoy your senior year — it will be over before you know it and we're glad to help you remember it!
